How We Protect Your Privacy

UPDATED 19-06-2019

NOOR FX strives to offer its visitors the many advantages of Internet technology and to provide an interactive and personalized experience. We may use Personally Identifiable Information (your name, e-mail address, street address, telephone number) subject to the terms of this privacy policy.

How we gather information from users?

How we collect and store information depends on the page you are visiting, the activities in which you elect to participate and the services provided. For example, you may be asked to provide information when you register for access to certain portions of our site or request certain features, such as newsletters or when you make a purchase.

Like most Web sites, NOOR FX also collects information automatically and through the use of electronic tools that may be transparent to our visitors.

For example, we may log the name of your Internet Service Provider or use cookie technology to recognize you and hold information from your visit. Among other things, the cookie may store your user name and password, sparing you from having to re-enter that information each time you visit, or may control the number of times you encounter a particular advertisement while visiting our site.

As we adopt additional technology, we may also gather information through other means. In certain cases, you can choose not to provide us with information, for example by setting your browser to refuse to accept cookies, but if you do you may be unable to access certain portions of the site or may be asked to re-enter your user name and password, and we may not be able to customize the site's features according to your preferences.

What we do with the information we collect?

Like other Web publishers, we collect information to enhance your visit and deliver more individualized content and advertising. We respect your privacy and do not share your information with anyone.

Aggregated Information (information that does not personally identify you) may be used in many ways. For example, we may combine information about your usage patterns with similar information obtained from other users to help enhance our site and services (e.g., to learn which pages are visited most or what features are most attractive).

Aggregated Information may occasionally be shared with our advertisers and business partners. Again, this information does not include any Personally Identifiable Information about you or allow anyone to identify you individually.

We may use Personally Identifiable Information collected on NOOR FX to communicate with you about your registration and customization preferences; our Terms of Service and privacy policy; services and products offered by NOOR FX and other topics we think you might find of interest.

Affiliated sites, linked sites and advertisements

NOOR FX expects its partners, advertisers and affiliates to respect the privacy of our users. Be aware, however, that a third party, including our partners, advertisers, affiliates and other content providers accessible through our site, may have their own privacy and data collection policies and practices.

For example, during your visit to our site you may link to, or view as part of a frame on a NOOR FX page, certain content that is actually created or hosted by a third party. Also, through NOOR FX you may be introduced to, or be able to access, information, Web sites, features, contests or sweepstakes offered by other parties. NOOR FX is not responsible for the actions or policies of such third parties.

You should check the applicable privacy policies of those third parties when providing information on a feature or page operated by a third party.

While on our site, our advertisers, promotional partners or other third parties may use cookies or other technology to attempt to identify some of your preferences or retrieve information about you. For example, some of our advertising is served by third parties and may include cookies that enable the advertiser to determine whether you have seen a particular advertisement before.

Other features available on our site may offer services operated by third parties and may use cookies or other technology to gather information. NOOR FX does not control the use of this technology by third parties or the resulting information, and is not responsible for any actions or policies of such third parties.

You should also be aware that if you voluntarily disclose Personally Identifiable Information on message boards or in chat areas, that information can be viewed publicly and can be collected and used by third parties without our knowledge and may result in unsolicited messages from other individuals or third parties.

Such activities are beyond the control of NOOR FX and this policy.

Encryption technology

We ALWAYS use a (SHA) 256bit Secure Socket Layer (SSL) protocol to protect the integrity of data during submission. We also employ similar technologies and access control methods to keep any stored data secure.

Changes to this Policy

NOOR FX reserves the right to change this policy at any time. Please check this page periodically for changes. Your continued use of our site following the posting of changes to these terms will mean you accept those changes. Information collected prior to the time any change is posted will be used according to the rules and laws that applied at the time the information was collected.
